Letter No. 225, dated 25th August 1897 from the Deputy Commissioner, Hassan District recommending the grant of certain lands to the Sri Hallada Rameshwaraswami temple at Passan.

No. 741—3, DATED BANGALORE, 18TH DECEMBER 1897

ORDER THEREON.—Certain inam lands to the value of Rs. 8-11-8, attached to the Sri Hallada Rameswaraswami temple in Hassan, were resumed at the Inam Settlement in 1879, as the temple was then in a dilapidated condition and the worship had ceased; and shortly afterwards, the resumed lands were given out to others for cultivation on kandayam tenure.

2. The temple has since been thoroughly restored and the puja duly revived. The institution being one of local importance the Deputy Commissioner recommends the grant as at of the marginally noted waste lands in lieu resumed inam lands, which being under private occupancy are not available for regrant.

No. 741—3

Sanctioning the grant of certain lands as inam to the Sri Hallada Rama Devaru temple at Hassan, in lieu of those resumed at the Inam Settlement.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi),—dated 16th May 1894.

READ :—

Correspondence ending with letter No. 592, dated 26th February 1894, from the Deputy Commissioner, Hassan District.

No. 1219-21—MUZ. F. 96-92, DATED, BANGALORE, 16TH MAY 1894.

ORDER THEREON.—From the records submitted by the Deputy Commissioner, it is observed that wet land Maji No. 74, extent 13 Kudus 12 Padis, assessment Rs. 8—11—8, of Hassan Kasaba was Devadaya Inam granted to Chitambaresvaraswami at Hassan. During the Inam Settlement in 1880 the land was resumed to Government as the idol was displaced. In the same year, one Chaudaiya applied for and obtained it for kandayam. In 1882-83 when the Survey Settlement took place, the land—now Survey No. 116, extent 1 acre and 11 guntas, assessment Rs. 6—8—0—was confirmed in Chaudaiya's name. In 1891, Nadig Channakesavaiya re-established the idol and had the services renewed at his own cost, and claimed the Inam land for the temple. Enquiry showed that the present occupant, who refuses to part with the resumed land, had obtained it through fraud and collusion, and the Deputy Commissioner recommended cancelment of Patta. But having regard to Chaudaiya's long possession, Government in Proceedings No. 895-6, dated 3rd June 1893, directed the Deputy Commissioner to submit separate proposals for other equivalent eligible land being assigned to the temple as Inam. The Deputy Commissioner now proposes that the unassessed dry lands described below may be so assigned :—

VILLAGE.	SURVEY NO.	NET EXTENT. A.	G.
Hullenhalli.	10	3	34
Do	6 (part.)	2	30
Do	Village site.	1	7
	Total ...	7	31

Hullenhalli is a Bechirakh village. Survey No. 10 appears to have been set apart for a tope. But it is reported that there is not a single tree on the land. An extent of 34 guntas has been deducted as kharab on account of the way, &c., existing on the land, and the rest of it is proposed to be assigned. Survey No. 6 is Gomal land. The villagers concerned have no objection to a portion of this land and to the abandoned village site being granted as Inam. The Deputy Commissioner recommends the grant of lands equal in assessment to the Maji Beriz of Rs. 8—11—8 fixed upon the wet land resumed, and has selected unassessed dry lands to the extent required.

2. Under these circumstances Government are pleased to sanction the grant to the temple of Chitambaresvaraswami of the proposed land Inam of Rs. 8—11—8 per annum. If the assessment of lands proposed as Inam is greater than this amount, the difference should of course be charged as current. The necessary entries in the village accounts should be made and a final report submitted for the information of Government.

No. 1280-2—MUZ. F. 19-98, DATED (CAMP) MYSORE, 7TH JUNE 1901.

ORDER THEREON—The Government in their Proceedings No. 571, dated 23rd November 1900, sanctioned the purchase of certain kandayam lands in lieu of the marginally noted inam lands measuring 7 acres and assessed at Rs. 42-4-0, attached to the Sri Venugopalaswami temple at Basavanahalli under Title-deed No. 45—298, of Chikmagalur taluk, which were taken up by the Chikmagalur Municipality for the extension of the town, on payment of a compensation of Rs. 629.

2. The Deputy Commissioner, in his letter read above, now reports that the marginally noted kandayam lands measuring 5 acres and 9 guntas and assessed at Rs. 35, which were in the private holding of one Sripati Rao, have been purchased for Rs. 300 out of the compensation amount invested in the Government Savings Bank, and that a regular deed of conveyance has been obtained from him in favor of the temple, and duly registered; and recommends the registry of these lands as inam in the name of the temple in substitution of the original inam lands taken up by the Municipality.

3. In these circumstances, the Government are pleased to sanction the Deputy Commissioner's recommendation. Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi) dated 17th May 1894.

READ:—

The following letter No. 444, dated 14th August 1892, from the Deputy Commissioner, Mysore District:—

I have the honor to acknowledge your Official Memo No. 70, dated 9th May last, forwarding for my opinion a petition from Mr. M. Krishnaiengar, Amildar of T. Narsipur Taluk, (now Extra Assistant Commissioner, Mysore District,) applying for grant of a piece of land known as Thavarè Katte in the Bonnur village.

1. The land in question is about 6 acres in extent and is a swamp known as Kunner Katte (also called Thavare Katte) now covered with rank vegetation. It was formerly the bed of a reservoir of rain water of the Bonnur tank and is now silted. It can be converted into a rice or garden land at a cost of about six or seven hundred rupees and is sought for eagerly by many of the raiyats of the place for cultivation, being within 2 furlongs from the village.

2. In October 1888, the villagers as a body petitioned to the Government as well as to His Highness the Maharaja praying for the grant of the land in question for making a permanent provision for the worship in the temple of Ramadevaru in their village, and the correspondence on the subject is still pending disposal. The temple had fallen into ruins and had been neglected, the principal idol having been broken by a mad man. At the Inam Settlement the ready money allowance of Rs. 2—6—9 per month which the institution had been enjoying formerly was resumed, owing to the non-performance of the worship in the temple. But the Government was, however, on repeated representations of the raiyats, pleased to view their request with favor and to promise the restoration of the ready money allowance on condition of their repairing the temple at their own cost.

3. The villagers have accordingly raised about a thousand rupees by subscription and almost completed the repairs of the temple, replaced the broken idol by a new one, and arranged for its worship. And the time for restoring the ready money grant to the temple has now arrived as promised by Government in Docket No. 2266—96, dated 26th June 1882. But the allowance being very insignificant, it is quite inadequate to meet the cost of daily worship as well as the up-keep of the institution. The temple is on the high road, and serves as a good halting place for travellers on the Mysore-Kankanhalli road, Seringapatam and Sosale road, as there are no chattrams, &c., in the Bonnur village which is overcrowded. If the daily Puja be maintained and the temple be kept in good repair, it will be a boon to the public. Under these circumstances, I consider the application of the villagers very reasonable and one deserving of first consideration, though I am sorry to disappoint Mr. Krishnaiengar.

4. The land is capable of yielding a profit of about Rs. 100 to 150, and it may be shared equally between the temple referred to and the one at Somanathpur. The latter is known as the finest piece of architecture in these parts, being second only to those of Halébid and Belur. It will soon be kept in proper repair by the Public Works Department on account of its architectural merit. But unless the Puja in the temple be kept going on properly, it is not likely to be resorted to as freely as could be wished and it may gradually relapse into disrepair. There are idols in good condition requiring only to be sanctified to become regular objects of worship but the present Tasdik is a very paltry sum and is now applied to pay the watcher in the temple. My proposal is therefore that the land in question be registered as Inam in the name of the two temples in equal shares and placed under the management of the Muzarayi Department for their benefit, and I earnestly beg that the same may be sanctioned as it will be productive of public good and be an act of great condescension on the part of Government towards the villagers in the neighbourhood.

ORDER THEREON.—From the records received with the above, it is observed that the marginally noted lands were Devadaya Inams granted to the Sri Kasi Visweswaraswami temple at Sulibele, Hoskote Taluk. During the Inam Settlement in 1877, the lands were resumed to Government on account of the then disrepaired state of the Institution.
